JOHN SOUTHGATE & SONS,

In presenting their New Illustrated Catalogue and Price List, avail themselves of the opportunity to tender their best thanks for the long continued support they have received, extending now over 125 *years, and beg to assure their friends that no effort will be wanting on their part to secure a continuance of the patronage so long accorded to them.*

JOHN SOUTHGATE & SONS refer with confidence to the high character their manufactures have sustained for so many years, and beg to assure their customers that, as heretofore, the greatest attention is still given to the selection of only the very best material and workmanship, thus affording a guarantee for the continued excellence, durability, and strength of all articles manufactured by them.

Every article enumerated in this Catalogue has been carefully re-estimated, revised, and in all instances the prices reduced to meet the requirements and keen competition of the present age.

JOHN SOUTHGATE & SONS give personal attention to every order entrusted to them, and this, combined with the facilities afforded by the large and varied stock they always keep on hand, ensure their prompt and careful execution.

THIS LIST IS ISSUED SUBJECT TO THE FLUCTUATIONS IN THE MARKET VALUE OF MATERIALS.

TO MERCHANTS AND SHIPPERS.

The greatest care is paid to all indents and shipping orders, both in selection and packing, all goods being personally inspected before delivery.

In order to meet many of our customers' wishes we are always willing to receive enclosures to pack in Portmanteaus, Bags, etc., and have devoted a room entirely to this purpose. No charge is made for packing, the cost of cases, etc., only being charged.
